"A CLASS OF KREISS-TYPE UNIFORMLY BOUNDED SYSTEMS OF  
OPERATORS"

The author has discovered an error in the proof of the main theorem of his preliminary communication mentioned in the title, and also an example showing that the statement of the main theorem, as it stands in the paper, is incorrect. Another example has been sent to the author by G. Strang. Also the conclusions made in the paper which follow from the main theorem are false. The author hopes to present an improved version in a subsequent issue of this journal.
