ERRATUM

T. Neubrunn, CORRECTION TO MY PAPER "A NOTE ON MAPPINGS OF BAIRE SPACES", Math. Slovaca 2, 1977, 173—176.

The inverse mapping f^{-1} to the mapping f (see the last three lines of the paper) is not counterexample to (4) because Y is evidently a Baire space. Thus only (1), (2), (3) are solved, while (4) remains open.
