BachoTeX 2003

BachoTeX 2003

The 11th annual meeting of Polish Tex Users Group GUST will traditionally be held at the Bachotek lake resort (Brodnica Lake District, Poland) on May 1–3, 2003. TeX users from around the world are cordially invited. Polish and English are the official meeting languages. The Web page of the meeting:

<div align="center">http://www.gust.org.pl/BachoTeX/2003en.</div>

Please note that one of the conference days will be devoted to LaTeX with special emphasis on most common typesetting problems, problem solving techniques, implementing own layouts with new font families, styles, classes etc. Details can be found on the Web page.

Planned lectures:
- TeXLive on the net – the concept and usage by Janusz Bień
- TypeScripts: the context way of combining fonts families by Hans Hagen
- DocBook, a practical exploitation of the XML standard by Tomasz Przechlewski
- Matrix diagram construction using XY-pic by Romuald Słupski
- MWcls in practice by Marcin Woliński

Participants presentations:
- Typesetting tables with METAPOST – Piotr Bolek
- TeX and inter-zone telephone connections – Piotr Bolek
- How to make Jerzy love TeX again? – Hans Hagen
- Latin Modern, a rich extension of the Computer Modern
- Family with accented characters using METATYPE1 – Bogusław Jackowski
- METAPOST macros for dashing closed areas – Bogusław Jackowski
- The Future of European LUGs – Jerzy Ludwichowski
- Installing outline fonts – Janusz Nowacki
- Polishing TeX – Jerzy Ludwichowski, Andrzej Odyniec
- The history of a certain Web page or is LaTeX useable for WWW services – Wojciech Myszka
- Towards a better quality of PDF documents (configuring pdfTeX/dvipdf/ dvips and ghostscript to use vector fonts) – Grzegorz Sapijaszko
- Managing software configurations with respect to TeX – Tomasz Serafiński

Also: discussions with friends (free), bonfires (free), swimming (free), canoeing (free), singing at nights (free and obligatory), beer and similar (at own expense), new initiatives (deer to the organisers).

Paper submissions (with abstracts) and proposals for tutorials should be sent by March 20, 2003 to the Program Committee Chairman Andrzej Borzyszkowski (Email: `BachoTeX@gust.org.pl`).

Prices:

The conference fee . . . . 100 EUR
Special fee for members of TeX users groups . . . . 80 EUR
Students fee . . . . 50 EUR
Students –TUG/LUG/GUST members . . . . 40 EUR
The fee includes registration and conference materials for regular participants. Accomodation and full board (dinner, breakfast and lunch) is at 19 EUR per day.

For payment after March 31st and before April 18th please add 10 EUR (students – 5 EUR) and for late payment (after April 18) please add 20 EUR (students – 10 EUR), respectively. Please note that on-site payments can only be made in cash, in PLN (at the current rate).

The deadline for registration is April 18th, 2003.

The participants are expected on April 30th (Wednesday, afternoon) but it is possible to extend the stay in Bachotek from April 29 (Tuesday, afternoon) to May 4 (Sunday).
