FOREWORD

The Proceedings of the Winter School “Geometry and Physics”, published in *Supplemento ai Rendiconti del Circolo Matematico di Palermo*, contains written versions of a number of talks presented during the Winter School held in Srní in January 1994.

The program of the School contained invited expository lectures as well as lectures on recent research results presented in afternoon sections. The Proceedings contains the written versions of invited plenary lectures by J.Huebschmann and 8 lectures presented in sections.

The list of participants of the School can be found bellow.

Editors: J.Bures, V. Soucek
